THIS IS UNEVALUATED INFORMATION

1. A number of Bulgarians, especially trained in Bulgaria both in Soviet methods of espionage and in the Rumanian language, have arrived in Bucharest for assignment to various Rumanian Government offices. Their number is estimated at 200.
2. The Soviet Union control in Rumania has been forced to bring in outsiders, as native Rumanian Communists are not producing either the quantity or quality of information needed. It is felt that they have been too easy going, and the Bulgarians are being brought in to offset this difficulty.
